MLS# R2756431

\$1,425,000

5 Bedrooms | 4 Bathrooms | 3,228 Sqft

This STUNNING property boasts 5 bdms & 3.5 baths, perfect for families & those who love to entertain. The open concept living area with huge windows floods the home with natural light & makes it an entertaining dream. You'll love the modern finishes throughout the home, including the electric fireplace in the cozy family room, which has room for large furniture. The huge primary bdrm features a separate den space & a large W/I closet. Spa-like ensuite has a huge shower & double sinks. Two oversized bdrms & a laundry room finish the top floor. The above ground bright in-law suite has 2 bdrms & modern finishes throughout. The corner lot backing greenbelt provides tons of privacy. You will love the low maintenance yard with turf grass & patio surrounding the hot tub. This DREAM HOME awaits!
