3 Bedrooms | 2 Bathrooms | 1,946 Sqft

Need more room? How about 5 acres, main home, barn, suite, shop, pond, gazebo, band stage? Rarely you get this much opportunity in one package. Renovated main home includes newer kitchen and appliances, bathrooms, windows, flooring, heating, A/C and hot water. A few steps away is the 75' barn with multiple stalls, tack area, office and roughed in plumbing. Currently setup for chickens but would work well for horses or other barnyard animals. Upstairs in the barn is a 950sqft one bedroom self contained suite. A few more steps outside is the 30x60 shop with over height door, tool/parts room, 3 stall fenced dog kennel with roughed in dog wash room. Add the pond, gazebo, band stage, garden, mature landscaping and large graveled RV parking area with separate driveway and gated access. WOW!
