3 Bedrooms | 1 Bathroom | 1,561 Sqft

What a gem! This 5-acre flat property in the highly sought-after Webster's Corner neighborhood is a rare find. With city water already in place and a charming 3-bedroom, 1-bath rancher on the property, the potential to build your dream home and renovate the existing home as a second dwelling is endless. And with an original owner, this property has a story to tell that you won't find anywhere else. Short distance to Webster's Corner Elementary, Cliff Falls & Kanaka Creek Regional Park.
