Here you go!!! 2 Bed. & 2 Bath Condo. All Strata docs. are on the listing. Virtual & Drone Toured. Laser Measured by Fab Floor Plans. Parking Stall #20. Two Shared Common Lockers on Main Floor. The Oxford is a well-kept older condo in downtown Maple Ridge with mixed use of families and single folk. Great opportunity for first-time buyers, seasoned flippers, or wannabe flippers. This is your chance to design and put your own spin on this 2nd-floor corner unit. My crews have completely gutted the unit, and now you have your own blank canvas to design and remodel as you wish. Touch Base for all showings. Thanks
