Here is the home you have been looking for in the desirable Laityview area! Bring your renovation ideas with you, as this house has huge potential to become the final stop for a family that wants to put down roots in a great neighbourhood. The home is in the Laityview Elementary catchment and minutes away from commuter routes, shopping and recreation. The square footage on both floors allows for a number of renovation options. The garage is also massive, so there is room for a workshop or multi-vehicle/toy parking. You have got to see this one to know it's a gem!
