MLS# R2804894

\$1,360,000

5 Bedrooms | 3 Bathrooms | 3,096 Sqft

Introducing this spacious 3096 sqft basement entry home in the coveted Kanaka neighborhood. Boasting 3 bedrooms upstairs, complimented by a main floor den & an additional 2 bedroom self-contained suite, this residence offers ample space and versatility. The main floor impresses with SS appliances, eat-in kitchen, a separate dining room, a cozy living room & a family room. With 3 bathrooms, air conditioning, and a double garage, this home ensures comfort and convenience for all. Backing onto a greenbelt, you are steps to Kanaka Creek trail & Rainbow bridge. Embrace the benefits of living in close proximity to great schools (Kanaka Elementary, Alexander Roberston, Thomas Haney & SRT), shopping and recreation. Call your Realtor to book a private showing.
