6 Bedrooms | 3 Bathrooms | 3,306 Sqft

Great opportunity here for a good size home with potential down the road, plus it has a great workshop with car hoist perfect for the home mechanic and tons of space there with the additional lean too. If you are wanting a large Property with easy access to town then look no further you have just found it. This home has been updated and lovingly cared for and offers so much to the right family, the basement is not full height but comfortable to use and gives you that extra space and flexibility. The bedrooms are all of a decent size and the master does have a 3 piece ensuite. The living room has fireplace set in the wall giving it comfy feel, the kitchen is a really nice size with its large eating area you don t need a dining room with it. All this set on .75 acre has to be worth seeing.
